

Use Free Wi-Fi to Boost Your Business

M1 Wireless@SG offers a wide range of affordable pricing plans.

Attract more visitors and customers to your retail or office premises by offering free wireless (Wi-Fi) service. Simply install **M1 Wireless@SG** on your premises and your customers will enjoy free wireless broadband access with speeds of up to 2 Mbps!

Better customer experience

Attract more customers and build greater customer loyalty by offering free Wi-Fi on your premises. Retailers such as cafes, restaurants, hotels, banks, and shopping malls would benefit from the positive branding, increased customer loyalty and higher spending.

Affordable service

M1 Wireless@SG is an affordable service as you pay only an initial one-time installation charge and fixed monthly subscription fees thereafter.

Key features

- Connection via Wi-Fi enabled device
- Accessible to any Wireless@SG user
- Seamless and Secure Access (SSA)
- No capital investment on hardware and software

Key benefits

- **EASE OF CONNECTION**
Anyone with a Wi-Fi enabled laptop or mobile device such as a smartphone and an iPad will be able to get instant access to M1 Wireless@SG on your premises.
- **SEAMLESS AND SECURE ACCESS**
Your customers will be able to connect securely and automatically to M1 Wireless@SG at every login without having to re-enter their credentials – once they have configured their devices for SSA.
- **ATTRACT CUSTOMERS**
Your customers are more likely to stay longer and spend more if there is free Wi-Fi on your premises.
- **EASILY SCALABLE**
Upgrade to higher bandwidth for a small monthly fee.

Who should take up this service?

Businesses that wish to provide a free value-added service to their customers and attract more visitors to their premises.
