

FY18 Results Presentation

28 January 2019

Forward looking statements – Important note

This presentation and the following discussion may contain forward looking statements by M1 Limited (“M1”) relating to financial trends for future periods

Some of the statements contained in this presentation or arising from this discussion which are not of historical facts are statements of future expectations with respect to financial conditions, results of operations and businesses, and related plans and objectives. Such forward looking statements are based on M1’s current views and assumptions including, but not limited to, prevailing economic and market conditions and currently available information. These statements involve known and unknown risks and uncertainties that could cause actual results, performance or achievements to differ materially from those in the forward looking statements. Such statements are not, and should not be construed, as a representation as to future performance or achievements of M1. In particular, such statements should not be regarded as a forecast or projection of future performance of M1. It should be noted that the actual performance or achievements of M1 may vary significantly from such statements.
