MobileOne Ltd**

Dear Sir/Madam

1. INTRODUCTION

- 1.1 **AGM.** The Directors of the Company are convening the AGM to be held on 28 March 2006 to seek Shareholders' approval for, *inter alia*, the proposed amendments to the Memorandum and Articles and the proposed renewal of the Share Purchase Mandate, as further explained in paragraphs 2 and 3 respectively below.
- 1.2 **Letter to Shareholders.** The purpose of this Letter is to provide Shareholders with information relating to the proposed amendments to the Memorandum and Articles of Association and the proposed renewal of the Share Purchase Mandate to be tabled at the AGM.
- 1.3 **SGX-ST.** The SGX-ST takes no responsibility for the accuracy of any statements or opinions made or reports contained in this Circular.
- 1.4 **Definitions.** Terms used in this letter shall have the meaning as defined in Appendix II to this Letter.

2. THE PROPOSED AMENDMENTS TO THE MEMORANDUM AND ARTICLES

- 2.1 **The Companies Amendment Act 2005.** The Companies Amendment Act 2005, which came into operation on 30 January 2006, introduced key amendments to the Companies Act. These amendments include the abolition of the concepts of par value and authorised capital, and allowing repurchased shares to be held as treasury shares.

With the abolition of the concept of par value pursuant to the Companies Amendment Act 2005, shares of a company will no longer have any par or nominal value. The concepts of share premium and the issue of shares at a discount have also been abolished accordingly.

The Companies Amendment Act 2005 also introduced new provisions on treasury shares. Under these new provisions, shares which are the subject of a share repurchase by a company can be held by that company as treasury shares instead of being cancelled. The right to attend and vote at meetings and the right to dividend or other distributions will be suspended for so long as the repurchased shares are held in treasury.

In consequence of the changes to be introduced by the Companies Amendment Act 2005, the SGX-ST may also be making amendments to relevant rules in the Listing Manual, to realign such rules with the changes to the companies legislation.

- 2.2 **Amendments to the Memorandum.** In 1992, when the Company adopted its current Memorandum, it was a requirement that the memorandum of association of every company must contain an objects clause. An objects clause sets out the purpose for which a company is in business and what it is empowered to do. This is of importance to third parties who deal with the company and its members.

Accordingly, clause 3 of the Company's current Memorandum provides an extensive list of activities in which the Company has the capacity or power to engage. The Company may only act within the scope of the objects stated in clause 3 of the Company's Memorandum.

When objects clauses were drafted, it was exceptionally difficult for the draftsman to describe with clarity each and every activity in which a company might become involved, hence such clauses are generally very lengthy and drafted very widely. However, as it was impossible to cover every eventuality and foresee all future developments, the very presence of an objects clause in the memorandum of association of a company may often limit the company's power to act in a particular way or to engage in a particular transaction.

To eradicate the uncertainty surrounding a company's power to act, amendments were made to the Companies Act pursuant to the Companies Amendment Act 2004 to, *inter alia*, remove the requirement that the objects of a company be stated in its memorandum and to provide that a company may, by special resolution, alter the provisions of its memorandum. These amendments came into force on 1 April 2004.

The Directors propose to amend the Memorandum to *inter alia*, delete the objects clause in clause 3 of the Memorandum to (a) remove any uncertainty as to whether the Company has the power to act in a particular way or to engage in a particular transaction and (b) update the Memorandum generally to reflect the amendments made to the Companies Act pursuant to the Companies Amendment Act 2004 and the Companies Amendment Act 2005.

- 2.3 **Amendments to the Articles.** The Company's current Articles were adopted in 2002 and do not reflect developments in the Companies Act which have taken place since 2002, in particular the full amendments to the Companies Act introduced by the Companies Amendment Act 2005. Amendments are proposed to the Articles in order to update them generally and to be in line with the developments in the Companies Act which have taken place since 2002. The Company is also taking this opportunity to streamline and rationalise certain other provisions in the Articles.

- 2.4 **Summary of Amendments.** The following is a summary of the main proposed amendments to the Memorandum and Articles:

Article 2

Article 2 is the interpretation section of the Articles, and is proposed to be altered to provide for the following:

- (i) that the expression "treasury shares" is to have the meaning ascribed to it in the Companies Act, namely, shares which were (or are treated as having been) purchased by the Company in circumstances in which Section 76H of the Companies Act applies, and have been held by the Company continuously since the treasury shares were so purchased;

- (ii) the expression “electronic communications” is to have the meaning prescribed to it in the Companies Act, namely communication which is transmitted (whether from one person to another, from one device to another, from a person to a device or from a device to a person) (a) by means of a telecommunication system or (b) by other means but while in electronic form, such that it can (where particular conditions are met) be received in legible form or be made legible following receipt in non-legible form and the expression “telecommunication system” is to have the meaning ascribed to it in the Telecommunications Act (Chapter 323) of Singapore;
- (iii) that, except where otherwise expressly provided in the Articles, references in the Articles to “holder(s)” of Shares or a class of Shares and “Member(s)” shall exclude the Company in relation to Shares held by it as treasury shares;
- (iv) that in the interest of clarity and consistency it is proposed that the definitions of “Annual General Meeting”, “Extraordinary General Meeting”, “General Meeting”, “Ordinary Resolution”, “Register of Members” and “Special Resolution” shall have the meanings ascribed to them in the Companies Act.

Article 3

Article 3 states the authorized share capital of the Company, and is proposed to be deleted following the abolition of the concept of authorized share capital pursuant to the Companies Amendment Act 2005.

Article 4

Article 4(a) provides that no Shares are to be issued at a discount except in accordance with the provisions of the Statutes, and is proposed to be deleted following the abolition of the concept of nominal value and the repeal of the statutory provisions governing the issue of shares at a discount to the nominal value pursuant to the Companies Amendment Act 2005.

Articles 5(A) and 6(A)

Articles 5(A) and 6(A) which deal with the rights and issue of preference shares is proposed to be amended to replace references to “total nominal value” (in conjunction with the abolition of the concept of nominal value pursuant to the Companies Amendment Act 2005) with references to “total voting rights” of the preference shares.

Articles 7 and 8(A)

Articles 7 and 8(A) which deal with the alteration of share capital are proposed to be amended to delete the reference to amount of shares (in conjunction with the abolition of the concepts of par value and authorised capital pursuant to the Companies Amendment Act 2005).

Article 9

Article 9 provides that the Company may by ordinary resolution, *inter alia*, consolidate and divide all or any of its share capital into Shares of larger amount than its existing Shares, and subdivide its Shares into Shares of smaller amount. It is proposed that Articles 9(a) and 9(c) be amended to delete the references to the “amount” of Shares in conjunction with the abolition of the concept of par value pursuant to the Companies Amendment Act 2005.

Article 9(b) provides that the Company may by ordinary resolution cancel any Shares which have not been taken by any person and diminish the amount of capital by the amount of the Shares so cancelled. It is proposed that this provision be amended to replace “have not been taken, or agreed to be taken, by any person” with “have been forfeited” in conjunction with the abolition of the concept of authorised capital pursuant to the Companies Amendment Act 2005.

Article 10

Article 10(A), which provides that the Company may reduce its share capital, capital redemption reserve fund or any share premium account or any reserve as authorised by law, is proposed to be amended to delete the references to the capital redemption fund and the share premium account since, under the Companies Amendment Act 2005, any amounts standing to the credit of the Company's capital redemption fund and share premium account become part of its share capital. Article 10(A) is proposed to be further amended to delete references to reduction of nominal amount of issued share capital in conjunction with the abolition of the concepts of par value and authorised capital.

Article 10(B) provides that the Company may, subject to and in accordance with the Companies Act, purchase or otherwise acquire its issued Shares. Consequential changes are proposed to Article 10(B) to cater for the holding of any purchased or acquired shares in treasury in accordance with the Companies Act, as amended by the Companies Amendment Act 2005.

New Article 10(C)

A new provision on treasury shares is proposed to be inserted as Article 10(C). This new provision will state that the Company may purchase shares to be held as treasury shares and shall be entered in the Register of Members as the member holding the shares. However, the Company shall not exercise any right in respect of treasury shares other than as provided by the Companies Act but that subject thereto, the Company may hold or deal with its treasury shares in the manner authorised by, or prescribed pursuant to, the Companies Act.

Article 14

Article 14 provides that the Company may exercise the powers of paying commissions conferred by the Companies Act and may also pay such brokerage as may be lawful. Although Section 69 of the Companies Act relating to the power to pay certain commissions has been repealed pursuant to the Companies Amendment Act, the Company may nevertheless retain a power to pay commissions or brokerage under the Articles. Article 14 is thus proposed to be altered to provide that the Company may pay commissions or brokerage on any issue of Shares at such rate or amount and in such manner as the Directors may deem fit.

Articles 21, 24 and 26

Articles 21, 24 and 26 deal with calls on members in respect of any money unpaid on their Shares. It is proposed that these provisions be altered to remove all references to nominal value and share premium in line with the abolition of these concepts pursuant to the Companies Amendment Act 2005.

Articles 46, 47 and 48

Articles 46, 47 and 48 relate to stock in the capital of the Company. Drafting changes are proposed on the rights of stockholders, to replace references to "amount of stock" with "number of stock units" and to all direct and indirect references to nominal value in conjunction with the abolition of the concept of nominal value pursuant to the Companies Amendment Act 2005.

Article 61

Article 61(d) deals with the exceptions to a resolution being put to the vote of the meeting and decided by a show of hands. Article 61(d) is proposed to be altered to provide that a poll can be demanded by a member present in person or by proxy and holding not less than 10 per cent. of the total sum paid up on all Shares of the Company conferring that right (excluding treasury shares), following the abolition of the concept of par value and the introduction of provisions on treasury shares pursuant to the Companies Amendment Act 2005.

Articles 65 and 71(A)

Articles 65 and 71(A) are proposed to be altered to provide that members of the Company which are nominee companies are not subject to any restrictions in relation to the number of proxies which may be appointed pursuant to the recommendations of the Code of Corporate Governance 2005.

Article 121

Article 121 provides for the declaration of dividends by the Company and is proposed to be amended to provide that no dividends may be paid in respect of treasury shares in accordance with the Companies Amendment Act 2005.

Article 123

Article 123, which provides for the apportionment of dividends according to the amounts paid or credited as paid on the Shares, is proposed to be amended in view of the abolition of the concept of par value pursuant to the Companies Amendment Act. Article 123 as amended will provide that all dividends are to be paid in proportion to the number of Shares held, and that where Shares are partly paid, all dividends must be apportioned and paid proportionately to the amounts paid or credited as paid.

Article 129

Article 129 provides, *inter alia*, that the payment of dividends or other monies payable on or in respect of a Share by the Company to CDP would discharge the Company from any liability to the Depositor in respect of that payment. Drafting changes are proposed to Article 129 to make it clear that the same applies where CDP returns any such unclaimed dividends or monies to the Company, a Depositor shall not have any right or claim against the Company in respect of such returned unclaimed dividends or monies after a period of six years from the date they are first payable may be forfeited, and if so, shall revert to the Company.

Articles 132 and 133

Articles 132 and 133 deal with the capitalisation of profits and reserves. Article 132 is proposed to be altered to delete the references to the reserve fund and the share premium account since under the Companies Amendment Act 2005, any amounts standing to the credit of the Company's reserve fund and share premium account become part of its share capital. Article 133 is proposed to be altered to delete a reference to "par value" in conjunction with the abolition of the concept of par value pursuant to the Companies Amendment Act 2005.

Articles 139 and 141

Articles 139 and 141 currently provide that notices or documents may be served by the Company either personally or by post. The Companies Amendment Act 2004 introduced new provisions that permit electronic distribution of notices of meetings, statutory reports and other documents to members, officers and auditors under certain specified conditions. Electronic transmission may be in the form of sending the notices or documents using electronic communications to the current address of the recipient, or publishing the notice or document on a website such that they are accessible by the recipient.

To update the Articles, it is proposed that Article 139 be amended to permit the Company to serve or deliver notices or other documents using electronic communications in accordance with the provisions of the Companies Act, as amended pursuant to the Companies Amendment Act 2004 and/or any other applicable regulations or procedures. In addition, Article 141 which provides for when any notice is deemed to be served, is proposed to be amended to provide that any notice or document sent by electronic communications shall be deemed to be served upon transmission of the electronic communication to the mail server designated by such address or as otherwise provided under the Act and/or any other applicable regulations or procedures.

In addition, Articles 11, 35, 36, 38(A), 38(B), 39, 51, 52(C), 53, 77, 135 and 136 are also proposed to be amended to replace terminology generally to be in line with the current provisions of the Companies Act, the Listing Rules and other applicable acts in force.

- 2.5 **Text of Memorandum and Articles to be altered.** The text of the Memorandum and Articles which are proposed to be deleted or amended are set out in Appendix I to this Circular.
- 2.6 **Shareholders' Approval.** The proposed amendments to the Memorandum and Articles are subject to Shareholders' approval. Accordingly, the Directors are convening the AGM to be held on 28 March 2006 at 10.00 a.m. at the Intercontinental Singapore, Ballroom 1 & 2 (Level 2), 80 Middle Road, Singapore 188966, to seek the approval of the Shareholders for the proposed amendments to the Memorandum and Articles. Kindly refer to (a) the Notice of the AGM dated 6 March 2006, accompanying the Annual Report 2005 of the Company, convening the AGM to be held on 28 March 2006 and (b) Special Resolution No. 13 under the heading "Special Business" set out in the Notice of AGM.

3. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

- 3.1 **The Proposed Renewal of the Share Purchase Mandate.** It is a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares has to obtain the approval of its shareholders to do so at a general meeting of its shareholders. At the Extraordinary General Meeting held on 25 March 2004, the Shareholders had approved a mandate to enable the Company to purchase or otherwise acquire its issued Shares. At the AGM of the Company held on 31 March 2005 ("**2005 AGM**"), the Shareholders subsequently approved the renewal of the mandate (the "**2005 Share Purchase Mandate**") to enable the Company to purchase or acquire its issue Shares. The rationale for, the authority and limitations on, and the financial effects of, the 2005 Share Purchase Mandate were set out in the Company's Circular to the Shareholders dated 14 March 2005.

The authority conferred pursuant to the 2005 Share Purchase Mandate may be exercised by the Directors at any time during the period commencing from the date of the 2005 AGM and expiring on the date when the next annual general meeting of the Company is held, or the date by which the next annual general meeting of the Company is required to by law to be held, whichever is earlier.

Accordingly, the Directors are convening the AGM to be held on 28 March 2006 at 10.00 a.m. at the Intercontinental Singapore, Ballroom 1 & 2 (Level 2), 80 Middle Road, Singapore 188966, to seek the approval of the Shareholders for the renewal of the Share Purchase Mandate. In this regard, a resolution will be proposed as Ordinary Resolution pursuant to which the renewal of the Share Purchase Mandate will be given to the Directors to exercise all powers of the Company to purchase or otherwise acquire its issued Shares on the terms of the Share Purchase Mandate. Kindly refer to (a) the Notice of the AGM dated 6 March 2006, accompanying the Annual Report 2005 of the Company, convening the AGM to be held on 28 March 2006 and (b) Ordinary Resolution No. 14 under the heading "Special Business" set out in the Notice of AGM.

- 3.2 **Rationale for Share Purchase Mandate.** The approval of the Share Purchase Mandate authorising the Company to purchase or acquire its Shares would give the Company the flexibility to undertake share purchases or acquisitions up to the 10 per cent. limit described in paragraph 3.3.1 below at any time, during the period when the Share Purchase Mandate is in force.

The rationale for the Company to undertake the purchase or acquisition of its issued Shares is as follows:

- (a) The Share Purchase Mandate will allow the Company to have greater flexibility in managing its capital structure and dividend policy.
- (b) The Share Purchase Mandate is an expedient and cost-efficient way for the Company to return surplus cash/funds, if any, which is in excess of the foreseeable financial and investment needs of the Group to its Shareholders.

- (c) In managing the business of the Group, management strives to increase Shareholders' value by improving, *inter alia*, the return on equity of the Group. Share purchase is one of the ways through which the return on equity of the Group may be enhanced.

While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the said 10 per cent. limit during the duration referred to in paragraph 3.3.2 below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full 10 per cent. limit as authorised and the purchases or acquisitions of Shares pursuant to the Share Purchase Mandate would be made only as and when the Directors consider it to be in the best interests of the Company and/or Shareholders and in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group, or result in the Company being delisted from the SGX-ST. The Directors will use their best efforts to ensure that after a purchase or acquisition of Shares pursuant to the Share Purchase Mandate, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

3.3 Authority and Limits on the Share Purchase Mandate. The authority and limitations placed on purchases or acquisitions of Shares by the Company under the proposed Share Purchase Mandate are summarised below:

3.3.1 *Maximum Number of Shares*

Only Shares which are issued and fully paid-up may be purchased by the Company. The total number of Shares which may be purchased or acquired pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 10 per cent. of the issued ordinary share capital of the Company (ascertained as at the date of the last Annual General Meeting or at the date of the forthcoming AGM at which the renewal of the Share Purchase Mandate is approved, whichever is higher, unless the share capital of the Company has been reduced in accordance with the applicable provisions of the Companies Act, at any time during the Relevant Period, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered). Any Shares which are held as treasury shares will be disregarded for purposes of computing the 10 per cent. limit.

For illustrative purposes only, on the basis of 985,632,978 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued on or prior to the AGM, not more than 98,563,297 Shares (representing 10 per cent. of the issued ordinary share capital of the Company as at that date) may be purchased by the Company pursuant to the proposed Share Purchase Mandate during the duration referred to in paragraph 3.3.2 below.

3.3.2 *Duration of Authority*

Purchases or acquisitions of Shares pursuant to the proposed Share Purchase Mandate may be made, at any time and from time to time, on and from the date of the forthcoming AGM, at which the Share Purchase Mandate is approved, up to:

- (a) the date on which the next Annual General Meeting is held or required by law to be held; or
- (b) the date on which the purchases or acquisitions of Shares pursuant to the proposed Share Purchase Mandate are carried out to the full extent mandated; or
- (c) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earliest.

3.3.3 ***Manner of Purchases or Acquisitions of Shares***

Purchases or acquisitions of Shares may be made by way of:

- (a) an on-market purchase ("**Market Purchase**"), transacted on the SGX-ST through the SGX-ST's trading system, through one or more duly licensed stock brokers appointed by the Company for the purpose; and/or
- (b) an off-market purchase ("**Off-Market Purchase**") effected pursuant to an equal access scheme.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offers made; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; (2) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Pursuant to the Listing Rules, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document to all Shareholders containing at least the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances;
- (3) the reasons for the proposed purchase or acquisition of Shares;
- (4) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (5) whether the purchases or acquisitions of Shares, if made, would have any effect on the listing of the Shares on the SGX-ST; and
- (6) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases of Shares, where relevant, and the total consideration paid for the purchases.

3.3.4 ***Purchase Price***

The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. However, the purchase price to be paid for the Shares pursuant to the purchases or acquisitions of the Shares must not exceed:

- (a) in the case of a Market Purchase, 105 per cent. of the Average Closing Price; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 110 per cent. of the Average Closing Price,

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase or acquisition.

For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five (5) Market Days (a “**Market Day**” being a day on which the SGX-ST is open for trading in securities), on which transactions in the Shares were recorded, before the day on which the purchase or acquisition of Shares was made and deemed to be adjusted for any corporate action that occurs after the relevant five (5) Market Days.

3.4 **Status of Purchased Shares.** A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

3.5 **Treasury Shares.** Under the Companies Act, as amended by the Companies Amendment Act 2005, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act, as amended by the Companies Amendment Act 2005, are summarised below:

3.5.1 ***Maximum Holdings***

The number of Shares held as treasury shares cannot at any time exceed 10 per cent. of the total number of issued Shares.

3.5.2 ***Voting and Other Rights***

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company’s assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. Also, a subdivision or consolidation of any treasury share into treasury shares of a smaller amount is allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

3.5.3 ***Disposal and Cancellation***

Where Shares are held as treasury shares, the Company may at any time:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to an employees’ share scheme;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

- 3.6 **Reporting Requirements.** Within 30 days of the passing of a Shareholders' resolution to approve the purchases of Shares by the Company, the Company shall lodge a copy of such resolution with the Registrar.

The Company shall notify the Registrar within 30 days of a purchase of Shares on the SGX-ST or otherwise. Such notification shall include details of the purchases, the total number of Shares purchased by the Company, the Company's issued ordinary share capital as at the date of the Shareholders' resolution approving the purchase of the Shares and after the purchase of Shares, and the amount of consideration paid by the Company for the purchases.

The Listing Rules specify that a listed company shall notify the SGX-ST of all purchases or acquisitions of its Shares not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day on which the Market Purchase was made, and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptance of the offer for the Off-Market Purchase.

The notification of such purchases or acquisitions of Shares to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.

- 3.7 **Source of Funds.** The Company may only apply funds for the purchase or acquisition of the Shares as provided in the Articles and in accordance with the applicable laws in Singapore. The Company may not purchase its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Previously, any payment made by the Company in consideration of the purchase or acquisition of its own Shares may only be made out of the Company's distributable profits. The Companies Amendment Act 2005 now permits the Company to also purchase or acquire its own Shares out of capital, as well as from its distributable profits.

The Company intends to use internal sources of funds or external borrowings or a combination of both to finance the Company's purchase or acquisition of the Shares pursuant to the Share Purchase Mandate. The Directors do not propose to exercise the Share Purchase Mandate to such extent that it would materially and adversely affect the financial position of the Group.

- 3.8 **Financial Effects.** It is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions of Shares that may be made pursuant to the Share Purchase Mandate on the NTA and EPS as the resultant effect would depend on, *inter alia* aggregate number of Shares purchased or acquired, whether the purchase or acquisition is made out of capital or profits, the purchase prices paid for such Shares and the amount (if any) borrowed by the Company to fund the purchases or acquisitions of Shares and whether the Shares purchased or acquired are cancelled or held as treasury shares.

The Company's total issued share capital will be diminished by the total number of the Shares purchased by the Company and which are cancelled. The NTA of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

Under the Companies Act, as amended by the Companies Amendment Act 2005, purchases or acquisitions of Shares by the Company may be made out of the Company's capital or profits so long as the Company is solvent. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for the distribution of cash dividends by the

Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for the distribution of cash dividends by the Company will not be reduced.

The Directors do not propose to exercise the Share Purchase Mandate to such an extent that it would materially and adversely affect the financial position of the Group. The purchase or acquisition of the Shares will only be effected after considering relevant factors such as the working capital requirement, availability of financial resources, capital structure, the foreseeable expansion and investment plans of the Group and the prevailing market conditions. The proposed Share Purchase Mandate will be exercised with a view to enhancing the earnings and/or the NTA value per Share of the Group.

For illustrative purposes only, the financial effects of the Share Purchase Mandate on the Company and the Group, based on the audited financial accounts of the Group for the financial year ended 31 December 2005 are based on the assumptions set out below:

- (a) based on 985,632,978 Shares in issue as at the Latest Practicable Date and assuming no further Shares are issued and no Shares are held by the Company as treasury shares on or prior to the forthcoming AGM, not more than 98,563,297 Shares (representing 10 per cent. of the issued ordinary share capital of the Company as at that date) may be purchased by the Company pursuant to the proposed Share Purchase Mandate.
- (b) in the case of Market Purchases by the Company and assuming that the Company purchases or acquires 98,563,297 Shares at the Maximum Price of S\$2.30 for one (1) Share (being the price equivalent to five (5) per cent. above the Average Closing Price of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 98,563,297 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately S\$226,695,583.

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 98,563,297 Shares at the Maximum Price of S\$2.41 for one (1) Share (being the price equivalent to 10 per cent. above the Average Closing Price of the Shares on the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 98,563,297 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately S\$237,537,546.

Based on the assumptions set out in sub-paragraphs (a) and (b) above and assuming that (i) the purchase or acquisition of Shares is financed solely by internal sources of funds; (ii) the Share Purchase Mandate had been effective on 1 January 2005; and (iii) the Company had purchased or acquired 98,563,297 Shares (representing 10 per cent. of its issued ordinary share capital at the Latest Practicable Date) on 1 January 2005, the financial effects of the purchase or acquisition of 98,563,297 Shares by the Company pursuant to the Share Purchase Mandate on the audited financial accounts of the Company and the Group for the financial year ended 31 December 2005 are set out below:

Notes:

- (1) The share purchases may be made out of a combination of profits and capital, which will be decided at the time of the share purchases, in the Directors' discretion.
- (2) The number of Shares in issue will be 983,956,978 Shares in the event that the share purchases are held as treasury shares. In the event that the share purchases are cancelled, the number of Shares in issue will be 885,393,681.
- (3) In the event that the share purchases are held as treasury shares, such shares are excluded in this computation.
- (4) Gearing means the ratio of net borrowings to shareholders' funds.
- (5) Current Ratio means the ratio of current assets to current liabilities.
- (6) Return on Equity means the net profit over average shareholders' equity.

Shareholders should note that the financial effects set out above are purely for illustrative purposes only. Although the proposed Share Purchase Mandate would authorise the Company to purchase or acquire up to 10 per cent. of its issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10 per cent. of the issued Shares. In particular, the Directors do not intend to exercise the share purchase mandate up to the maximum limit and to such an extent if such exercise would materially and adversely affect the financial position of the Group. In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased in treasury.

- 3.9 **Taxation.** Pursuant to Section 10J of the Income Tax Act, a company which buys back its own shares using funds other than contributed capital is deemed as having paid a dividend to the shareholders from whom the shares are purchased or acquired. The company will thus have to provide for franking of the buyback at the prevailing corporate rate (currently 20 per cent. from Year of Assessment 2006) in the same way as paying a taxed dividend, the amount paid out for the buyback being the net dividend. Franking is not required if the buyback is out of exempt profits that can be used to pay exempt dividends.

The one-tier corporate tax system took effect from 1 January 2003. With the one-tier corporate tax system, resident companies pay a final tax on their corporate profits and thereafter, dividends can be distributed freely. Dividends will be exempt from further tax when paid out to shareholders. The Income Tax Act allows a five (5)-year transitional period (from 1 January 2003 to 31 December 2007) to enable companies with unutilised Section 44 credits, as at 31 December 2002, to pay franked dividends. Thereafter, all companies will be governed by the one-tier corporate tax system.

As the Company is already under the one-tier corporate tax system, any deemed dividend will be treated as tax-exempt (one-tier) dividend.

From a Shareholder's perspective, the tax treatment of the receipts from the buy-back would depend on whether or not the sale is by way of a Market Purchase or an Off-Market Purchase.

Proceeds received by Shareholders who sell their Shares to the Company in Market Purchases through the normal ready counters will be treated for income tax purposes like any other disposal of shares and not as a dividend. Whether or not such proceeds are taxable in the hands of such Shareholders will depend on whether such proceeds are receipt of an income or a capital nature. Proceeds received by Shareholders who sell their Shares to the Company in an Off-Market Purchase, where the share buyback is made otherwise than on the SGX-ST, and such Shareholders are not transferees to whom Section 10N of the Income Tax Act applies, being proceeds made pursuant to an equal access scheme authorised by the Company in advance at the AGM, such proceeds will be treated for income tax purposes as the receipt of a dividend.

The above statements are general in nature and are based on certain aspects of current tax laws in Singapore which are in force as of the date of this Circular and are subject to any changes in such laws, or in the interpretation of these laws occurring after the date of this Circular, which changes could be made on a retroactive basis. These statements should not be regarded as a comprehensive description of all the tax considerations that may be relevant to a decision to vote in favour of or against the Share Purchase Mandate.

Shareholders should note that the foregoing statements are not to be regarded as advice on the tax position of any Shareholder or on any tax implications arising from the Share Purchase Mandate. Shareholders who are in doubt as to their respective tax positions or any such tax implications or who may be subject to tax in a jurisdiction other than Singapore should consult their own professional advisers.

3.10 **Take-over Implications.** Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

3.10.1 ***Obligation to make a Take-over Offer***

If, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting capital of the Company of a Shareholder and person acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

3.10.2 ***Persons Acting in Concert***

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company.

Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely:

- (a) a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, and any company whose associated companies include any of the above companies;
- (b) a company with any of its directors, together with their close relatives, related trusts and any companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis;
- (e) a financial or other professional adviser, with its client in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholdings of the adviser and any of those funds in the client total 10 per cent. or more of the client's equity share capital;
- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, and any person who is accustomed to act according to his instructions and companies controlled by any of the above persons.

For this purpose, ownership or control of at least 20 per cent. but not more than 50 per cent. of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

3.10.3 **Effect of Rule 14 and Appendix 2**

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30 per cent. or more, or in the event that such Directors and their concert parties hold between 30 per cent. and 50 per cent. of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than one (1) per cent. in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30 per cent. or more, or, if such Shareholder holds between 30 per cent. and 50 per cent. of the Company's voting rights, the voting rights of such Shareholder would increase by more than one (1) per cent. in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.

Other than as disclosed above, the Directors are not aware of any facts or factors which suggest or imply that any particular Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase of Shares by the Company pursuant to the Share Purchase Mandate.

Shareholders who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of any purchase or acquisition of Shares by the Company should consult the SIC and/or their professional advisers at the earliest opportunity.

3.11 **Listing Rule(s).** While the Listing Rules do not expressly prohibit purchase of shares by a listed company during any particular time or times, because the listed company would be considered an "insider" in relation to any proposed purchase or acquisition of its issued shares, the Company will not purchase any Shares pursuant to the Share Purchase Mandate after a price-sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as the price-sensitive information has been publicly announced. In particular, in line with the best practices guides on securities dealings issued by the SGX-ST, the Company will not purchase or acquire any Shares through Market Purchases during the period of:

- (a) one (1) month immediately preceding the announcement of the Company's annual or half-yearly results; and
- (b) two (2) weeks immediately preceding the announcement of the Company's quarterly results.

The Company is required under Rule 723 of the Listing Manual to ensure that at least 10 per cent. of its Shares are in the hands of the public. The "public", as defined under the Listing Manual, are persons other than the directors, chief executive officer, Substantial Shareholders or controlling shareholders of the Company and its subsidiaries, as well as the associates of such persons.

Based on the register of Directors' shareholdings and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, approximately 402,046,738 Shares, representing 40.79 per cent. of the issued Shares, are in the hands of the public. Assuming that the Company purchases its Shares through Market Purchases up to the full 10 per cent. limit pursuant to the Share Purchase Mandate, the number of Shares in the hands of the public would be reduced to 303,483,441 Shares, representing 30.79 per cent. of the reduced issued share capital of the Company. Accordingly, the Company is of the view that there is a

sufficient number of issued Shares held in the hands of the public which would permit the Company to undertake purchases or acquisitions of its issued Shares up to the full 10 per cent. limit pursuant to the proposed Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity.

In undertaking any purchases or acquisitions of Shares through Market Purchases, the Directors will use their best efforts to ensure that, notwithstanding such purchases, a sufficient float in the hands of the public will be maintained so that the purchases or acquisitions of Shares will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

3.12 **Previous Share Purchases.** The Company has not purchased any Shares during the 12-month period preceding the Latest Practicable Date.

4. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

4.1 **Interests in Shares.** Based on the Register of Director's Shareholdings and the Register of Substantial Shareholders, as at the Latest Practicable Date, the shareholdings of the Directors and the Substantial Shareholders before and after the purchase of Shares pursuant to the Share Purchase Mandate, assuming (a) the Company purchases the maximum amount of 10 per cent. of the issued ordinary share capital of the Company, and (b) there is no change in the number of Shares held by the Directors and the Substantial Shareholders or which they are deemed interested in, will be as follows:
