

Plan with Device + \$205 Plan Add-on

Plan with Device

Subscription at \$30 per month, bundled with free incoming calls, unlimited voice calls to 3 M1 numbers, 100 minutes outgoing voice/video calls, 100 SMS and 12GB data bundle, for local usage. Excess local usage charges: Calls - 18.19 cents per minute with a minimum one-minute charge and billed per second thereafter; SMS - 5.35 cents per SMS; MMS - 35.31 cents per MMS; Data - \$11.99 per GB. Local mobile data service will be activated upon re-contract on plans with free local data bundle even if local mobile data service was previously de-activated.

Up to 10GB data bundle from 'Plan with Device', Plan Add-ons and Bundle Packs (if any) can be used for Data Passport per billing cycle. Excess Data Passport usage charges of \$10/GB applies thereafter.

'Plan with Device' is not eligible for Multi-Line Saver (MLS) programme. For existing MLS customers who switch to these plans, your MLS eligibility will be re-determined accordingly.

'Plan with Device' is eligible for Multi-Service Saver (MSS) Programme and count towards the total number of mobile lines for the qualification of MSS programme and determination of the applicable MSS Discount. MSS Discount applies only for 'Plan with Device' and does not apply to Plan Add-ons (if any).

If you have an existing supplementary line [SurfShare/mySIM(s)], your supplementary line will be auto-converted to a standalone \$12 SIM-only plan. Subscription at \$12 per month, bundled with free incoming calls, unlimited voice calls to 3 M1 numbers, 100 minutes outgoing voice/video calls, 100 SMS and 3GB data bundle, for local usage. Any existing handset contract or subscription discounts will continue on the plan. Prevailing excess usage charges and Data Passport Terms & Conditions apply. \$12 SIM-only plan will no longer be available for re-subscription in the event the line is terminated or changed to another plan.

\$205 Plan Add-on

Subscription at \$205 per month, bundled with free Unlimited minutes outgoing voice/video calls, 900 SMS and 100GB data bundle, for local usage.
